**Add Soy Protein/180 Shake Mix, NutriFeron & "VIVIX" for "Rx for a Healthier Life"**

## Energizing SOY Protein .... 180 SOY or WHEY Shake Mix

Shaklee Protein (non-GMO) is a complete protein with all 9 essential amino acids. It is a vegetable (soybean) protein with no cholesterol, saturated fats, or artificial flavors or preservatives. Low glycemic index to retain normal blood sugar levels. It is needed to make and repair ALL tissue cells. It is necessary for building enzymes, antibodies, hormones, hair, skin, nails, it curbs the appetite, and is a real "energy" booster and maintains your blood sugar level. Recent findings indicate that soy can dramatically impact hormone balance, cancer, cholesterol, and heart disease.

## NUTRIFERON ... "Powerful Breakthrough in Immune System Science"

Stimulates the production of **interferon naturally**. A healthy immune system is our body's most powerful frontline defense. Effective against Flu, Colds, Hepatitis C, Cancer, Allergies, Asthma, Shingles, Chronic Infections etc. Dr. Kojima spent 40 years testing hundreds of compounds searching for a natural formula that boosts the bodies production of interferon. A potent but safe blend of plant extracts, proven by human clinical studies to provide powerful immune support.

## VIVIX ... "Revolutionary Breakthrough in Cellular Anti-Aging"

Vivix Cellular Anti-Aging Tonic is a revolutionary breakthrough in the fight against cellular aging. Developed after years of research by Shaklee Corporation, the number one natural nutrition company in the U.S., Vivix is the world's best anti-aging supplement. In laboratory studies, Vivix ingredients have been shown to impact the four key mechanisms of cellular aging.

A 30 day supply of Vivix delivers the equivalent amount of resveratrol found in 3,000 glasses of red wine, and Vivix ingredients are 10x more powerful in slowing a key mechanism of aging than resveratrol alone.

**WHAT'S UNDER YOUR SINK?**

According to a 15-year study presented at the Toronto Indoor Air Conference, women who work at home have a 54% higher death rate from cancer than those who work away from home. The study concluded that this was a direct result of the increased exposure to toxic chemicals, many of which are found in common household products.

More than 9 out of every 10 suspected poison exposures occur at home with household products.

Get Clean™ Starter Kit from Shaklee: One of the nice things about using Get Clean is that once you get rid of all those undesirable cleaners you may have in your home, you won't have to replace them with 27 more. You'd have to spend more than \$3,400 to get the same amount of clean.
