EARN A BONUS:

To be eligible to earn a bonus, you must purchase a minimum of 100 P.V. (Purchase Volume) in a calendar month. (See enclosed Bonus Chart for Bonus Brackets.) Once you have your 100 P.V, you are bonus eligible.

In order to earn a bonus, you must have 250 P.V., which can be generated by you personally, or your personal purchases in combination with those whom you sponsor.

If you would like to earn a bonus, set a goal to earn a bonus every month and start charting your Purchase Volume.

All bonuses are calculated on a calendar month.

Bonus checks are mailed or credited no later than the end of the month, following the month in which the P.V. was generated. (That is, bonuses on January purchases are paid in February.)

THE IMPORTANCE OF SPONSORING OTHERS:

Larger bonuses can only be earned by sponsoring other Shaklee members. *Remember, you get credit for the P.V. of everyone sponsored under you, and so do the people you bring into the program get credit for the people they bring into the program SO, EVERYONE BENEFITS FROM SPONSORING OTHERS!!*

IN ORDER TO EARN LARGER INCOMES, you have to develop a group. One way that you can do this is to personally purchase or share 100 P.V. per month personally, then sponsor 3 who buy 100 P.V. and help them sponsor 3 who buy 100 P.V., who in turn sponsor 3 who buy 100 P.V., which would give you 40 in your group.

If all of them were to buy 100 P.V., you would have 4000 P.V. and you would receive A MONTHLY BONUS Of \$1,120.00.

IF YOU ARE AT A DISTANCE, GO TO OUR PERSONAL WEBSITE to learn about products or the Sales Plan, or sit down with the person who sponsored you for an explanation of how you can take advantage of the larger incomes available to you in Shaklee, or go on the SHAKLEE website for a complete presentation of the Sales Plan. You may also call us, and we will help you to develop your business to any point that you wish.
